Aileler için Kelime Avı İşaret Kartları

Nasıl Kullanılır?

Dil gelişimi için çalışmalar gerçekleştirirken etrafta bulunan nesnelerin resimlerini içeren bu kartlardan yararlanabilirsiniz. Çocuğunuzun kelime avı kartlarında bulunan eşyaları ya da kavramları bulmasını sağlayarak, alıcı dil becerilerinin gelişimini destekleyebilirsiniz. Bu kartlarda bulunan nesneler ve kavramlara ilişkin yapacağınız çalışmalarla çocuklarınızın dili anlamlı kullanmasını sağlayabilirsiniz. Yapacağınız çalışmalara ek olarak çocuğunuzla nesne ya da kavramları ifade etmeye yönelik çalışmalar da gerçekleştirebilirsiniz. Ek olarak şunları çalışabilirsiniz: nesnelerin işlevlerini belirlemek ("Neden kaşık kullanırız?") veya her bir nesneden kaç tanesini gördüklerini saymak gibi.

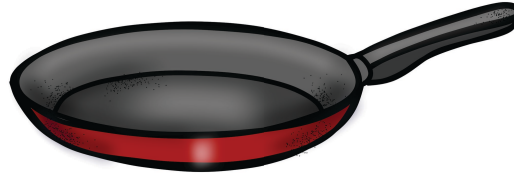

Bazı kelime avı kartlarında etrafta bulunan nesneler bazılarında ise kavramlar bulunmaktadır. Bunların hepsi dil, konuşma ve beceri gelişimini destekleyecektir.
