

WHY DO I NEED TO QUARANTINE?

Sometimes children and teachers need to stay home from school and "quarantine".

Since there is still Coronavirus (COVID-19) spreading in the world, people are trying to be careful.

One way to be careful is to stay home if there are Coronavirus germs near my classroom.

My teachers or parents will tell me that I need to stay home from school for a while. They call this quarantine.

Usually children and teachers need to quarantine when someone in the class is sick.

If someone in my class is sick,
it does not mean I will get sick.

When classrooms quarantine,
sometimes the entire class stays
home and sometimes just a few
students stay home.

If I need to stay home, it is not because I did something wrong.

When I am quarantined at home, I still need to do my schoolwork.

I might do work my teacher sends home or I might do online learning.

Once the quarantine is done,
I can go back to school!
