

my cat is sick

My cat is sick. This makes
my family sad

Sometimes cats get better, and sometimes they don't. The Vet will try to help my cat.

When cats don't get better, they fall asleep and don't wake up.

If my cat doesn't wake up, I can remember all the fun times I had with her. I can draw pictures and talk to my family about my cat.

My family will help me when I feel sad about my cat.
